## 6. Important Information

---

### ▣ Room Assignment and Residence

1. Roommate/room type may not match your choice 100% and your roommate can be either an international or Korean student
2. Any request for room/building change will not be accepted
3. As the dormitory is a community space, there may be various difficulties and inconveniences (noise, communication problems among room/unit mates etc.)
4. E-House is a suite-style dormitory with single/double/triple/quad rooms in 2-10 person suites. The number of people assigned means the number of people allocated per room, not per unit
5. I-House is for international students such as exchange and language center students so male residents may reside in the same building

### ▣ Check-in and Check-out

1. You cannot visit the dorm room before the check-in date (early check-in is not allowed)  
※ Dorm room pictures: <http://dmtry.ewha.ac.kr/> → Facilities → Rooms
2. If you cancel your residency or leave the dormitory during the semester, all of your subsequent dormitory applications will be automatically canceled. If you plan to apply for residency again, you can apply from the next semester (those who cancel their residency or leave the dormitory midway cannot re-apply in the same semester)
3. If an applicant takes leave of absence, is dismissed, takes credits below the standard stated in the eligibility, or does not return from leave of absence, the Dormitory Office may revoke your dormitory application and you cannot re-apply for dormitory. Also, you have a duty to notify the Dormitory Office of any changes in your status. Otherwise, you will be evicted and not allowed to re-apply

### ▣ Facility Maintenance and Construction

1. If the dormitory is subjected to any maintenance work, there can be noises and entry of workers accompanied by staff members to the building
2. If an urgent temporary relocation to an alternative room or guest room is required due to repairs in the dormitory, the assigned room may differ from the current room type
